

**2006 ACDCA National Specialty
Olmsted County Fairgrounds
Rochester, MN
Camping Registration**

**Campsites located on the show site
Electric and water hook-ups
Showers on site
Dump station on site
RV dumps available**

The Olmsted County Fairgrounds has a small campground with approximately 60 sites. All sites have water and electric hookups. A bathhouse is located adjacent to the campsites. The bathhouse has toilet facilities only. Showers are available in Bldg. 42. Please note that these showers are extremely primitive and do not afford a lot of privacy.

There is a dump station for RVs onsite at the fairgrounds. We are also working to arrange for a company to come in and pump tanks twice during the week. More information on sewer dump reservations will be available with the specialty registration packet.

Reservations, along with payment, must be received by September 13, 2006
