

COVID 19 PRECAUTIONS

The ACDCA will have the "run of the Tehama Fairgrounds" during our National Specialty. As a relatively small National Specialty, having the run of the grounds will allow us to spread out.

We will follow state, local, AKC and facility guidelines that apply to our event site. These may include:

Practicing social distancing consistent with guidelines in effect at the time of the event.

Holding events out-of-doors or in large buildings with open doors whenever possible.

Spacing out seating and grooming areas and prohibiting forced air blowers indoors.

Enlarging our rings to accommodate social distancing.

Requiring face coverings/masks when in proximity to others.

Providing face coverings/masks for officials, judges and volunteers.

Encouraging frequent hand washing and providing hand sanitizer.

Having disinfecting spray at the events and in bathroom facilities for high touch surfaces. Disinfecting surfaces in common use areas often

Encouraging "virtual" greetings and discouraging unnecessary physical contact.

Recommending that attendees avoid touching dogs that are not their responsibility.

Minimizing common use items unless disinfected or hand covering are provided.

Entry fees and RV fees will be refunded if the Specialty is cancelled due to COVID 19

Checks for entry fees will be held until August 27, 2020. If the event cannot be held, due to COVID 19, checks will be shredded.

If we cannot hold the event due to COVID 19 after entry fee checks have been sent to the bank then refunds will be sent once all funds have cleared. This will be no sooner than September 20th. PayPal entry fees will be reversed. Any incurred credit card fees will not be refunded.

Upon arrival the fairgrounds may require everyone in attendance to sign a COVID waiver.

**We ask that all attendees be supportive of safety efforts!
AND...please be kind!
Thank you in advance!

2020 CHANGES

Fix and Go On

The option allows exhibitors to immediately reattempt an obstacle at any time on course when the dog's performance on the obstacle is not to their expectation. This allows the dog to successfully complete the obstacle and finish the course or leave the ring on a positive note. Using the Fix and Go On option will result in a non-qualifying score. Once the handler initiates Fix and Go On the judge will signal with crossed arms and a verbal "Fix and Go On" to the timer and scribe.

Once the Judge gives the signal the scribe will record FNG on the scribe sheet.

The timer will immediately watch the timer console and press the horn when the following times are reached: 60 seconds on Standard Courses and 45 seconds for JWW courses.

T2B and FAST horn will sound when the programmed time is reached.

The Rules:

1. The handler may reset the dog and repeat an obstacle ONE time to attempt to fix a behavior. Handlers may include preceding obstacles to establish a proper approach to the obstacle being fixed.
2. Handlers can touch equipment, re-set a jump and touch/pet their dog.
3. Should a handler attempt to fix an additional obstacle and or behavior later in the course, the whistle will be blown, and the handler must immediately proceed to the exit. Handler may choose to fix a start line and is not to be confused with a handler who runs with their dog after their initial return.
4. Judge will signal FNG when the handler LEADS OUT past the first obstacle for the SECOND TIME.
5. The Timer will manually start the time when the judge signals FNG.
6. If the dog breaks their start line stay and completes the first obstacle and the handler chooses to repeat the lead out the judge will signal FNG when the handler directs their dog back to the start.
7. The time will continue to run.
8. FNG should be utilized for the benefit of the dog to reinforce a positive performance and NOT as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated and result in immediate dismissal from the ring.

For Exhibition Only

Allowed in the T2B and FAST classes and is non-qualifying.

1. FEO runs are treated as trial entries. Exhibitors must enter the class prior to the closing date, pay the entry fee and the Trial Secretary must record the entry in the Trial Catalog as part of the results.
2. Dogs may be entered at any height. Day of show height changes are not allowed. If entered in a lower height than eligible, the team is committed to FEO for that run and must declare FEO on the start line.
3. Dogs may be entered in any level of FAST. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
4. The exhibitor must declare FEO in the ring prior to leading out.
5. The Judge will verbally confirm FEO to the scribe. The scribe will record FEO, NT and E on the scribe sheet.
6. Toys are allowed in the ring
7. Toys must be non-audible
8. Toys may not leave the handler's hand.
9. Toys that roll freely cannot be used.
10. No food in the ring.
11. Handlers can touch equipment and may touch/pet their dogs during the run.
12. Course time: Normal programmed time for T2B and FAST.
13. FEO should be utilized for the benefit of the dog and not as a punitive corrections. Harsh verbal and/or physical corrections shall not be tolerated. If the Judge determines any harshness the handler will be immediately dismissed from the ring.
14. Judge must monitor the entire run.

2020 CHANGES

Exhibitors will be allowed to enter their dog in a mixture of Regular and Preferred classes within the same trial day/trial weekend.

Example: Master Preferred Standard & JWW and Regular Master FAST & T2B
Exhibitors will be allowed to enter their dog in a mixture of Jump Heights within the same trial day/trial weekend.

Example: 20 Master Standard & JWW and 24C Premier Standard & JWW

Dogs may be entered in any height division they are eligible for but may only enter each class offered once per day. A dog may only be entered once in each class offered. They may not enter a class in both Preferred and Regular.

If a dog is entered in different jump heights the owner must submit separate entry forms, one for each trial.

Exhibitor Instructions: use the back of the ABBA Dogs specific entry form under the signature line as your separate entry form for the same dog to differentiate the odd class. For any other entry form you must use two different entry forms.
